## 01. WHAT'S IN THE BOX?

Thank you for choosing the **Invoke 2.0 Bluetooth Headphones** by Sprout.

For optimum performance and safety, please read instructions carefully before usage.

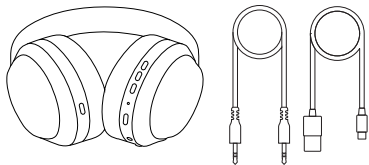

Please keep this manual for future reference.

1x Invoke 2.0 Bluetooth Headphones

1x USB-A to USB-C cable

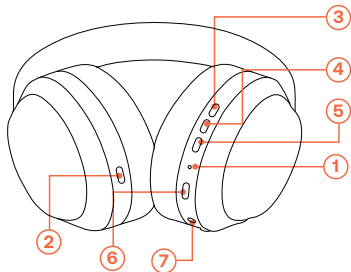

1x Aux-in audio cable

1x Product manual

## 02. PRODUCT OVERVIEW

1. LED indicator
2. USB-C charging input
3. Volume up button
4. Power button
5. Volume down button
6. DuoLink™ button
7. Aux input port

Function	LED Indicator Status
Charging	LED indicates solid red when charging in progress LED indicates solid green when charging finished
Pairing mode	LED flashes blue/red alternately
Pairing successful	LED flashes blue every 5 seconds
Power on	LED indicates solid blue for 1 second
Power off	LED indicates solid red for 2 seconds

### CHARGING YOUR INVOKE 2.0 BLUETOOTH HEADPHONES

1. Insert the USB-C end of the charging cable into the charging input
2. Insert the USB-A end of the cable into a power source\* to charge. The LED indicator will be solid red while charging is in progress. The LED indicator will be solid green when charging is complete. A full charge will take approximately 1.5 hours

\* Using a USB-C charging cable to connect to a 5V-2A (10W) adapter is recommended. Adapters with larger wattage can also be used (maximum 24W). Car chargers, power banks or docking stations may have fluctuating output. Charging using these devices is not recommended.

### TURNING INVOKE 2.0 ON/OFF

Press and hold the power button for 3 seconds to power on/off.

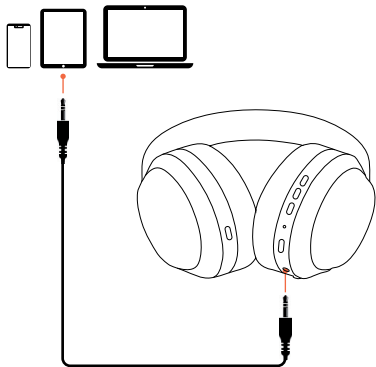

## CONNECTING VIA BLUETOOTH

1. To enter into pairing mode from power off, press and hold the power button until you hear “power on”. The LED indicator will flash blue and red when your Invoke 2.0 Headphones are in pairing mode
2. Turn on Bluetooth on your mobile phone/music device\*
3. ‘Invoke 2.0’ will appear on your mobile phone/music device. Select ‘Invoke 2.0’ to pair. The LED indicator will flash blue every 5 seconds when pairing is successfully complete
4. Enjoy your music
5. After the initial pairing, the headphones will always automatically pair with the previously paired device

\*If you are not familiar with Bluetooth pairing for your mobile phone or music device, refer to the user guide for your mobile phone/music device for instructions to pair a new device using Bluetooth.

## CONNECTING VIA 3.5MM AUX CABLE

Connect your Invoke 2.0 Headphones to a smartphone, tablet or other audio device using the aux-in audio cable provided.

### VOLUME ADJUSTMENT

Short press on Vol+ or Vol- buttons.

### PLAY

Short press the power button to play audio.

### PAUSE

Short press the power button when playing audio to pause.

### ANSWER/END CALL

Short press the power button to answer an incoming call or end an existing phone call.

### REJECT CALL

Long press power button to reject an incoming call.

### CONNECTING MULTIPLE INVOKE 2.0 VIA DUOLINK™

Using the DuoLink feature you can connect multiple Invoke 2.0 Headphones, One set will be your **'primary'** headphones and another will be your **'replica'**.

#### TO CONNECT

1. Short press the DuoLink button on your primary device once. The primary will announce "DuoLink enabled"
2. Short press the DuoLink button on your replica device once. The replica will announce "DuoLink enabled"
3. Press the DuoLink button once more on the replica to connect both devices
4. Once connected, the replica will announce that it is using "DuoLink Audio". The primary device will show a solid blue light while the replica will show a flashing red and blue light

#### TO DISCONNECT OR RESET

1. Press DuoLink button again to disable DuoLink\*
2. Press and hold the DuoLink button for five seconds to reset the DuoLink function\*\*

\*If DuoLink is disabled, Invoke 2.0 will disconnect from the replicas, but will still remember them.

\*\*Resetting DuoLink make your Invoke 2.0 'forget' all replica devices.

- Do not disassemble this device or attempt to modify it in any manner

All Sprout products go through thorough quality assurance inspections. If you find that your device is excessively hot, is emitting odour, is deformed, abraded, cut or is experiencing or demonstrating an abnormal phenomenon, immediately stop all product use and contact Sprout.

## 07. DISPOSAL INSTRUCTIONS

At the end of the useful life of your Invoke 2.0 Bluetooth Headphones, please recycle through your local e-waste collection point. If you are unsure of your local waste collection point, please consult your local council for details.

## 08. CONSUMER GUARANTEE

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. If you have any questions about your rights in relation to this product, please return it to point of sale or contact us at [enquiries@sproutinc.com.au](mailto:enquiries@sproutinc.com.au). This warranty does not affect your legal statutory rights under the Australian Consumer Law. For more information about your rights under Australia Consumer Law go to [www.accc.gov.au](http://www.accc.gov.au).

Your Sprout Invoke 2.0 Bluetooth Headphones are warranted to the original owner for 24 months from the date of purchase against defects in material and workmanship under normal use and service. The warranty does not cover misuse of this product and liability will not exceed the purchase price of the product.

If you have any problems while using the product, please do not hesitate to contact our customer support team.

For warranty and technical support please visit [sproutinc.com.au](http://sproutinc.com.au) or email [enquiries@sproutinc.com.au](mailto:enquiries@sproutinc.com.au).
